## ENTENTE SAVED BY SPIRIT OF GIVE AND TAKE

### Concessions by Both France and England Bring Harmony

PARIS, Nov. 21.—(AP)—The allies thru their representatives in the ambassadors' council tonight agreed to notify Germany that the interallied military control mission will resume its functions in the reich and that the Berlin government is bound to afford it facilities and protection.

They also decided upon a second communication in which they note the former crown prince's letter renouncing the throne of Prussia and voice expectations that the German government will see to it that Frederick William faithfully observes the promises made therein. Under those conditions the allies will not insist upon laying hold of the prince, but they declared the German government must rigidly adhere to its assurance that the return of former Kaiser William to Germany will not be tolerated.

This is the first time the allies have agreed upon a question relating to the execution of Germany of the treaty of Versailles since the partition of Upper Silesia was referred to the League of Nations two years ago.

The unusual sensation of leaving the meeting in full accord appeared particularly agreeable to the members of the council, who came out of the cloak room of the foreign office radiant. Marshal Foch who usually passes the line of reporters with military dignity, stopped to say the cheery words.

"Everything is all right."

All Feel Gay

Even Lord Crew, the British ambassador lost his accustomed gravity and chatted gayly with Jules Cambon of France, while Viscount Ishii of Japan, Baron D'Estroy of Belgium and Baron Avezzano of Italy assured those outside that everything was for the best. Laurence H. Norton, secretary of the American embassy who represented Ambassador Herick, the latter being ill, was particularly happy that the first occasion when he was called upon to represent the United States should be the occasion of patching up the entente. The agreement was reached by mutual concessions on the part of France and Great Britain. The former withdrew from like stand that the notes should take the form of an ultimatum and indicate to the German government the measures to be taken by the allies if the demands were not met. The British consented to a change in the wording to satisfy objections on the part of the French cabinet.

The spirit of give and take, which resulted in saving the entente is regarded as the best augury for the settlement of the other questions on which France and Britain are divided, although there appears to be some apprehension in French circles as to how parliament will receive the ambassador's conclusions.

Officials Joyful

In this connection significance was attached to today's debate in the foreign affairs committee of the chamber of deputies, where Premier Poincare's policy toward Germany was censured as too mild, with General Viscount De Castelnau, former chief of staff, among the critics of the government.

The salvation of the entente caused no little joy in official circles however, and Jules Cambon, to whom a great share of the credit for the result is attributed was the object of warm congratulations from his French colleagues of the foreign office and from the other members of the ambassadors' council.

Speculation as to the impression the notes will make in Berlin tends toward the belief that Chancellor Stresemann will find them as mild and conciliatory as it could be possible to expect. The general opinion among diplomats is that the German chancellor will find it advisable to do all he can to comply with the allied demands rather than risk another note harsher in tone and terms, though some believe the great delay in reaching a decision will weaken its effect.

The clearing of the diplomatic atmosphere was so evident that the correspondents waiting in the cold dusk had to ask no question to know that the entente had been saved.

### AMERICAN MISSIONARY KIDNAPED IN CHINA

Shanghai, Nov. 22.—(A.P.)—E. W. Schmalzried, an American missionary attached to the Reformed Church in the United States, whose mission is at Chenchow-Pu, Hunan, has been kidnapped by bandits while on his way from Changch, Hunan, to Kungien, Kweichow.

Four women who were accompanying Mr. Schmalzried, were permitted to resume their journey.

## RAINEY MAY RETAIN PLACE ON WAYS AND MEANS COMMITTEE

### Democrats Will Hold Caucus Prior to Congress Opening

WASHINGTON, Nov. 21.—A call was issued today for a caucus of Democratic members of the house Saturday night, December 1. House Republicans will hold a conference that afternoon, two days before congress convenes, for organization purposes.

The Democratic caucus call went out after Representative Garrett of Tennessee, who acted as minority leader in the last congress, had conferred with Representative Oldfield of Arkansas, who was the Democratic whip, Representative Rayburn of Texas, who served as chairman of the Democratic caucus and other party leaders.

Those who participated in the conferences expressed the opinion that the Democrats in the next house should have greater representation on important committees—nine places on committees having a membership of 21 and 11 on the ways and means committee, which has 25 members.

In the last congress, when the Republican majority in the house approximated 170 the ratio was fifteen and six on committees generally and 17 and eight on the ways and means committee.

The proportion in the forthcoming congress will be determined by the Republican committee on committees.

At the Democratic caucus a candidate for speaker will be selected and probably the minority members of the ways and means committee who in turn will assign their Democratic colleagues to various committees. Democratic leaders generally predict that Mr. Garrett will be put forward for speaker, automatically becoming leader of the party on the election of a Republican speaker.

Plans are being made to name Representative Henry T. Rainey of Illinois, as chairman of the Democratic caucus and to return him again to the ways and means committee where he served for many years.

## SEN. LA FOLLETTE AND BORAH TO APPEAR ON PROGRESSIVE TICKET

### Believed Others Will Submit Names Before Convention

OMAHA, Neb., Nov. 21.—Robert M. LaFollette and William E. Borah will, in all probability, be placed on the ballot in the Nebraska primaries in Nebraska as candidates for the preference of the Progressive voters of the state for the presidential nomination, according to a statement issued here today by the official Progressive party of the state.

Henry Ford's name has already been submitted by petition and will go on the Progressive ballot and the statement signed by Chairman J. I. Beebe and Secretary William Green says:

"We understand that the names of Robert LaFollette and William E. Borah and, perhaps others, will also be filed. We feel sure that the only way by which (friends of these Progressives may succeed in having one of them nominated for president will be by joining hands with those who will send delegates to the national convention at St. Paul or Minneapolis on May 30. To accomplish this purpose it will be necessary for all Progressives to enter the Progressive Party primaries."

## PROHIBITION AGENTS GET ENORMOUS HAUL

NEW YORK, Nov. 21.—Prohibition agents seized about \$100,000 worth of liquor in a raid this afternoon on the West Broadway warehouse of Baird and Daniels.

The seizure included 3,000 gallons of Italian and French Vermouth, 700 cases of gin; several thousand cases of wine and several cases of whisky.

The firm of Baird & Daniels had a large liquor trade before prohibition, dry agents said.

While the raiders busied themselves collecting the liquor in the large warehouse about fifteen persons telephoned asking for liquor according to agent Brennan.

He took down their names and told them they would get what they wanted.

ROBBED OF CHICAGO  
FRATERNITIES CAUGHT

Chicago, Nov. 21.—A number of mysterious robberies of University of Chicago fraternities as well as several complaints from University co-eds of a prowler, are believed by police to be cleared up today with the arrest of Herman Holmes, as he attempted to break into the Beta Theta Pi fraternity house. Police say Holmes has admitted robbing the Chi Psi and Sigma Chi fraternities houses and a merchant near the campus identified him as the man who passed a forged check at his store recently.

## WALTON REFUSED NEW HEARING BY FEDERAL JUDGE

### State Legislature Continues on Cleanup Program

OKLAHOMA CITY, Okla., Nov. 21.—(A. P.)—J. C. Walton failed today in his second effort to obtain federal intervention in the action of the state senate court of impeachment which Monday removed him as governor.

Judge John H. Cottrell, in United States district court here, reaffirming a ruling handed down at Lawton, Oklahoma, the day before the impeachment trial opened, held that his court had no jurisdiction in the case and sustained a motion by George F. Short, state attorney general to dismiss the deposed executive's suit.

Walton entered an exception to the decision and announced that he would appeal to the United States supreme court.

The former governor sought a retroactive restraining order to nullify all proceedings of the impeachment court. He alleged his impeachment resulted from a conspiracy between the Ku Klux Klan and members of the legislature.

Walton's counsel referred to the "pretended trial" before the impeachment court and declared that the deposed governor had been denied "the equal protection of the law" as guaranteed by the federal constitution.

Attorney General Short characterized the charges as "frivolous."

Waits for Indictment.

At the conclusion of the hearing Walton went to the Oklahoma county court house and announced that he expected to be indicted by the district court grand jury which now is in session. He said he did not know what the charges would be, but desired to be present to submit to arrest at once.

He waited for some time but the grand jury did not report today.

J. K. Wright, county attorney later announced the report probably would be made tomorrow morning.

Meanwhile the lower house of the state legislature continued its "cleanup" campaign and impeached Charles H. Ruth, state supreme court commissioner on charges of trafficking in executive clemency.

Ruth, long a close political and personal friend of Walton, was appointed to his office by the deposed executive.

The senate plans to consider tomorrow all anti-Ku Klux Klan bills that have been introduced in an effort to select the best features of all for incorporation in one bill. It was indicated several days probably would be required to whip the bill into shape.

## PROGRESSIVE PARTY ENDORSES FORD FOR PRESIDENTIAL RACE

### Farmer-Laborites, Independents and Liberals All Join

OMAHA, Neb., Nov. 21.—(A.P.)—Resolutions formally calling a convention at Detroit on December 12, endorsing Henry Ford for president on a ticket to be known as that of the "Peoples' Progressive party, and outlining three planks of the platform to be submitted to the committee were adopted by the group on privileges of the Farmer-Laborites, Independents and Liberals headed by Roy M. Harrop, national temporary chairman of the Progressive party here today.

Green states were represented in the call according to a statement given out by Mr. Harrop, following an executive meeting. The names of those who issued the call Mr. Harrop said were:

G. F. Stevens, Denver, Colo., Farmer-Labor party; Claude Wilkerson, Sedalia, Mo., Peoples Progressive Party; Frank L. Taylor, San Diego, Calif.; Independent Progressives; F. S. Hammond, Elizabeth, N. J., Independent Progressives; George R. Hunt, Chattanooga, Tenn., Progressive Party; Dow Dunning, Boise Idaho, Progressive party; W. P. Adams, Portland, Ore.; Wallace Campbell, Bismark, N. D.; John K. Vale, Hiawatha, Kansas; P. A. Spain, Paris, Texas; John A. Simpson, Stillwater, Oklahoma; L. W. Redfern Salt Lake City, Utah; E. A. Dyer, Winner, S. D.; J. E. Scanlon, Beechcraft, Ark.; B. E. Benington, Cleveland and himself.

Belleville, Ill., Nov. 21.—Lieutenants D. G. Gaffney and H. Rainey hopped off today from Scott field, near here in De Havilland airplanes for their respective stations—Kelley field, Texas and Bolling field, Washington, D. C., after completing late yesterday the maiden trip over the new military airway—San Antonio-St. Louis-Washington.

## Dr. Cook Gets Heavy Sentence In Oil Case

### FORT WORTH, Texas, Nov. 21. (A. P.)—Dr. Frederick A. Cook, oil operator, who was found guilty in federal court here this afternoon for the alleged misuse of the mails in connection with the operations of the Petroleum Producers' association of which he was the sole trustee, was sentenced to serve 14 years and nine months in the federal prison and assessed a fine of \$12,000 by Federal Judge Killits.

Fred K. Smith, treasurer of the company was sentenced to serve seven years in prison and was fined \$12,000.

S. E. J. Cox was sentenced to serve eight years and fined \$8,000.

Other co-defendants of Cook who were found guilty were given the following:

O. L. Ray, \$500; G. A. D. Montford, \$500; H. E. Robinson, \$500; Harry Bloom, \$500; J. F. Burmister, \$500; H. B. Stephens was fined \$7,000 and sentenced to serve 30 days in jail. Dr. Cook has not yet been sentenced.

Sentence of a year and a day and a fine of \$1,000 was imposed on the following:

J. S. Rooks, C. W. Slute, S. L. Hess, T. O. Turner, B. S. Herringer, E. J. Dawen and R. L. Maxwell.

W. L. Braddish and W. P. Welty were given sentences of two years each and fined \$1,000.

L. A. McKister was given six years and a fine of \$1,000.

Judge Killits passed sentence on Dr. Cook after a scathing denunciation of the methods said to have been practiced by the former Arctic explorer. Cook made no statement after being sentenced but his attorney, former United States Senator Joseph Weldon Bailey, declared that he would have a statement to make within the next two or three days.

Cook's bond was placed by Judge Killits at \$75,000 to make him not be permitted to make any further attempt to evade the law after a complete record of the case has been drawn.

All of the convicted men, immediately after being sentenced

## STOKES TROUBLE IS FINALLY ENDED BY SPECIAL AGREEMENT

### Alimony Granted and Trust Fund Provided for Children

NEW YORK, Nov. 21.—A settlement out of court in the action for separate maintenance brought by Helen Elwood Stokes against her husband W. E. D. Stokes, wealthy hotel owner, has been made. It was reported today after a conference in the chambers of Supreme Court Justice Wasservogel, at which both Mr. and Mrs. Stokes were present. A final settlement will be made in court tomorrow it was stated.

The agreement it was said, will give Mrs. Stokes an annual alimony of more than \$18,000, the amount she is now receiving. In addition Mr. Stokes will provide a trust fund of approximately \$750,000 for their two children. Both children are to remain in the custody of Mrs. Stokes in Denver. Mr. Stokes will have the right to visit them when he likes.

The agreement was expected to terminate various court actions under way between Mrs. Stokes and her husband, excluding indictments returned against him and his Chicago attorney by the Cook county (Illinois) grand jury after its investigation into the methods pursued in obtaining alleged evidence against Mrs. Stokes.

Details of the agreement are expected to be made public in court tomorrow.

## CHICAGO SOPHOMORE HELD UNDER ARREST

CHICAGO, Nov. 21.—Earl English, University of Chicago sophomore taken into custody today in connection with the mutilation of his cousin, Charles Ream, a 19-year-old victim of a gland robbery was reported tonight to have admitted to police that revenge prompted the act against Ream.

Ream was found early this morning and taken to a hospital where he told of being taken into an automobile by two men being struck over the head and dragged, and then left dazed in the outskirts of the city.

While police would give no information on the statement English is said to have made after a long period of questioning, his sister and another woman roomer in the English home were called by police. Ream roomed at the home of his aunt, the mother of English.

Montezuma, Ind., Nov. 21.—Patience in an attempt to affect reconciliation with his wife from whom he had been separated for some time, Mervin Watson, 21, last night fired three bullets from a revolver into his wife's body and then shot himself. Both were instantly killed.

## INDICTMENTS IN SAVANNAH ONLY JUST STARTING

### Liquor Investigation Brings New Clues to Government

WASHINGTON, Nov. 21.—As a consequence of the liquor raids and resulting grand jury investigation at Savannah, Ga., in which indictments have been returned against 126 defendants in different sections of the country an official spokesman declared tonight that the government is expected to comb the entire eastern seaboard and confidently expects the gathering in of those who have financed one of the most gigantic combinations known, either legally or illegally.

The Savannah indictments were described as "only the beginning." Others are to follow it was stated, as fast as information obtained at Savannah can be made effective in other parts of the country as far west as Pittsburgh.

During the grand jury investigation at Savannah it was said, federal agents were supplied with information gleaned from witnesses and were set at work at once in following new clues. Some of these, it was stated, have provided the department of justice with evidence of new combinations and conspiracies and underground connections with the alleged ring developed in the Savannah inquiry.

Clues developed at Savannah have led mainly to New York, Philadelphia, the Chesapeake Capes and Charleston, S. C. But between these points and into the interior as far as Pittsburgh, the chain of evidence has been found to be unbroken and the operatives who have been delving into the conspiracies feel that they soon can uncover some widely known persons who hitherto have been able to keep in the background.

The department declined to hint at the identity of any of the persons indicted at Savannah, but the statement was made that those indictments could be considered as important from the standpoint of those about whom the government agents are striving to tighten their nets.

## McCRAY'S TESTIMONY IN BANKRUPTCY CASE HAS BEEN COMPLETED

### Loses Nearly Million Dollars in Three Years and Half

INDIANAPOLIS, Ind., Nov. 21.—After almost four days on the witness stand, Governor Warren T. McCray late today completed his testimony in the hearing before Harry C. Sheridan, master in chancery in federal court, on the petition of the First National Bank, the Farmers' Trust company, and the Citizens' Trust company, all of Fort Wayne to have the governor adjudged a bankrupt. He was succeeded on the stand by J. J. Kiser, vice president of the Meyer-Kiser bank of Indianapolis.

After questioning by his own counsel the governor went into details regarding the management of his farms.

After explaining that he had lost a total of \$846,991 on his farms and other businesses between January 1, 1920 and August 15, 1923, the governor said he considered the pure bred cattle business part of his farming activities and that he could not separate the different branches of the activity. It was virtually decided tonight that sessions of the hearing will not be held in Kentland, the home of Governor McCray, as was proposed earlier in the week.

James P. Goodrich, president of the National City bank, and former governor, who was one of the leaders in the pool which advanced \$350,000 to Governor McCray early in his financial tangle, was the chief witness before the grand jury today. He occupied all the time the grand jury was in session. A number of witnesses still remain to appear in the inquiry and no intimation has been given as to when it will be concluded.

## THANKSGIVING BIRD CHEAPER THIS YEAR

CHICAGO, Nov. 21.—A good corn crop, eradication of numerous turkey plagues and pests, and an increase in the supply of turkeys will enable Chicago housewives to purchase the Thanksgiving bird at a price of 42 to 45 cents a pound, market observers predicted today.

Poultry dealers say the price is about 8 or 9 cents a pound less than a year ago, and no rise is expected unless exceptionally cold weather should set in before Thanksgiving day.

Ducks are selling at retail at 28 to 30 cents a pound, geese at 25 cents and chickens about 23 cents.

## BRADT MAKES REPLY TO SHEETS ADDRESS ON ROADS QUESTION

### States That No Administration Entitled to all Credit

CHICAGO, Ill., Nov. 21.—State highway superintendents of the small and lowdown administrations, Frank T. Sheets, and his former chief, S. E. Bradt, of DeKalb, faced each other at the fourth annual convention of the Illinois League of Women Voters this afternoon and vigorously discussed the \$100,000,000 bond issue which is to be voted on this fall.

Supporting the proposal, Mr. Sheets declared he would not have appeared if he did not believe he was right.

"I would get out of here as quick as my heels would carry me," he told the delegates, "if I believed the proposed new bond issue would ever occasion an increase in the general tax. He denied categorically the charge that Governor Small traded "roads for votes," that the highway engineering force manipulated road proposals to suit the governor, and that the roads being built are not substantial and suited to endure indefinitely.

Samuel E. Bradt, highway superintendent under Governor Low took immediate issue with the man who succeeded him as highway followed Mr. Sheets. He was superintendent and declared the \$100,000,000 bond issue unnecessary.

Henty of Money.

"There is money enough already available under the last bond issue to complete the 4,800 mile system within a reasonable time," he said.

He declared he doubted that motor license fees would suffice to pay for maintenance, administration and engineering and other charges against the fund and declared he believed the proposed bond issue would demand either a direct state tax or increased motor license fees.

Mr. Bradt traced the progress of highway work from the administration of Yates to the present and concluded with the statement that no administration is entitled to all the credit.

"If Oglesby or Lewis had been governor instead of Small," he said, "the road results would have been practically the same. The people are for hard roads and no governor can afford to resist. No matter who is elected as our next governor, be he Republican or Democrat, road building will continue."

David Shanahan, speaker of the house in the 53rd general assembly took former Governor Lowden's place on the program. He spoke briefly telling the delegates the biggest problem for the next legislature will be to provide for completion of the Illinois deep waterway.

## GIRL IS STEPSISTER TO HER OWN MOTHER

### HONOLULU, Nov. 21.—(A.P.)— Somewhat of a sensation was created here today by dispatches from San Francisco disclosing that Miss Helen Campbell (Princess Kaplan) Kawanakaoa, and Andrew Lambert, both of Honolulu, had been married in San Francisco on November 1. At first both the girl and her mother, Princess Abigail Campbell Kawanakaoa, denied the report.

Lambert is the son of a former saloon keeper. Princess Kaplan is the daughter of the late Prince David Kawanakaoa. Princess Kaplan's mother before her marriage to Prince Campbell was Miss Abigail Campbell. When Princess Kaplan was a child she was adopted by her maternal grandmother and took the name of Helen Campbell and became a step-sister of her own mother. She participated equally with her mother and three of her mother's sisters in the immense Campbell estate, a part of which was founded in San Jose, California.

## SIX MEN INDICTED IN FLOGGING CASE

ATLANTA, Ga., Nov. 21.—Six men were indicted by the Cobb county grand jury at Marietta near here late today on charges of rioting and conspiracy in connection with the alleged flogging by a masked band of Mrs. Bertha Holcombe of Smyrna, Ga., and S. H. Norton of Atlanta, at a lonely spot between Smyrna and Atlanta last Friday night.

The six men indicted are: Kellar Hasty, pitcher of the Philadelphia American League team; his brothers, Arthur and Frank Hasty, farmers, living near Smyrna; Park Cook, who works in Atlanta and Tom Black and Joe Bramlett.

All were taken into custody by Sheriff Swanson today. They were released on bond of \$4,000 each.

Leavenworth, Kan., Nov. 21.—Luther Wizek, convicted German spy was released from the federal penitentiary here today. He was met by H. J. Wilde, German consul, Kansas City. From Kansas City, he goes to New York for deportation.

## BIG EXPLOSION KILLS NINE AND INJURES OTHERS

### Three Employees Still Unaccounted for May be Dead

NEW IBERIA, La., Nov. 21.—(A.P.)—Nine persons are known to have been killed and fifteen others injured, five of them probably fatally as the result of a boiler explosion late today at the Vilda Sugar Refinery at Loreville, ten miles east of here.

The dead:

Sidney Broussard, nephew of Senator Edwin S. Broussard of Louisiana, plantation manager.

Oscar Broussard, superintendent.

Deniss Nisdayer, employee.

L. D. Touzen, employee.

Five negroes.

Three other employees are unaccounted for and are believed to have been killed.

Nine bodies had been recovered tonight from the ruins of the plant.

Of the injured the number was about equally divided between white and negro employees.

The explosion came without warning just as a battery of five boilers had been steamed up preparatory to starting the season's work.

A man standing near a load of cane 1,500 feet away was completely beheaded while a mule a quarter of a mile distant, was killed by a piece of flying steel.

As quickly as the news of the accident reached New Iberia, ambulances and doctors rushed to the scene and brought the injured to local hospitals.

The refinery which employs 100 persons was a complete loss estimated at \$100,000.

## CHATTANOOGA PAIR TRY KIDNAPING FOR COLLECTION OF DEBT

### Hold Chicago Business Man Prisoner for Almost Month

CHICAGO, Nov. 21.—(A.P.)—Waiting "for their man" in a crowded loop street armed with guns, a large amount of ammunition and handcuffs, Everett P. Leonard, president of the Serviette company of Chattanooga Tenn., and his 18 year old son, Willard were arrested today on complaint of Roger Naylor, president of the Sante Products company.

Naylor called for police protection saying he feared the man and his son were waiting for him and the two were found outside the board of trade building near Naylor's office, heavily armed and waiting Leonard said to collect a debt of \$9,000 from Naylor.

After their arrest Naylor told police of a kidnapping starting from his Chicago office when the two men walked in, while business life continued all about them, handcuffed Naylor, forced him to call business friends and relatives then wire his wife that he would be out of the city for a long time.

He was then forced to go aboard a train for Chattanooga, under threat of death and taken to the Leonard home, Naylor said, where he was held a prisoner for 26 days, finally escaping and returning to Chicago where he called for police protection.

While he was held a prisoner, Naylor said the two forced him to sign agreements which they knew were impossible to fulfill. He said he first met Leonard thru his office in Chattanooga. Leonard's company having an office nearby.

The Leonards were hooked on charges of threats to kill pending the filing of other charges.

"That man robbed me and many of my friends in Chattanooga of \$9,000," said Leonard after his arrest. "My company is about to go into bankruptcy as a result."

### GREAT ORATORY

The 60th anniversary of the dedication of Gettysburg battlefield called forth more tributes than ever to the great speech made on that occasion by Abraham Lincoln. Appreciation of his masterpieces grows with the years.

It was not thought much of on its delivery. Hearers and readers were thrilled by it, as they must needs be if they were human, but they distrusted their thrills because it was not what they had been accustomed to regard as a "great speech." It had none of the familiar tricks of oratory, no fine figures of speech, no fancy epithets, no flowery ornaments, no resounding phrases, no rhetorical exaggeration. It had nothing but simple greatness, like the man who delivered it.

The nation has grown since 1863, and its growth is mirrored in its estimate of the Gettysburg address. American oratory is still far too much given to the noise, artificiality, over-statement and wordiness that marred it in Lincoln's time, but our speakers are slowly learning the better way that Lincoln showed. They are learning that straight talk, the statement of clear thought in simple words and natural manner, is far more effective than ranting, and is therefore better art.

The majority of political speakers have not yet learned this, but business men have, and lawyers show steady improvement.

### BROKEN HOMES AND CRIME

An inmate of the state reformatory at Pontiac, eager for his own reform and interested in his fellow-prisoners, conceived the idea of making a survey of the institution. Helped by the chaplain of the reformatory he did so, and his findings are of genuine interest. The young man making the survey is now out on parole and is making good.

His investigation reached 1,000 boys and young men between the ages of 16 and 26 years. More than 700 of them were 20 years, or under. In this group were found some of the most daring of the young criminals of Chicago and other Illinois cities.

It is interesting that this in-

vestigator from within the walls of the prison came to the conclusion that "broken home life is largely responsible for delinquency and criminality among boys." His study showed that 618 of the 1,000 prisoners studied came from broken homes, homes in which father or mother or both parents were dead and homes which had been disrupted by other causes.

As another important contributing cause he names bad environment and bad associations. Society as a whole is still to blame for most of its own misfortunes. It makes many mistakes and produces many criminals needlessly.

### WELSH SINGERS HEARD BY LARGE AUDIENCE

Rhonda Welsh Male Singers Delighted Large Audience at High School Last Night — Appeared Under Auspices of Local American Legion Post.

The Rhonda Welsh Male Singers appeared in a concert program at the high school auditorium last night, under auspices of the local American Legion Post. The audience assembled for the concert was a large one and the program was one which met with enthusiastic approval.

This aggregation of musicians is made up of fourteen talented vocalists and has been heard in many of the larger cities of the United States.

The program last night included solos, duets, trios, quartettes, choruses and glee numbers and the selections were of such a varied character that the concert had its appeal to all.

The program last evening included the following: Chorus, "Harlech," Welsh Air, "To Arms," Maund; "Welsh Airs," selected; "Italian Salad," Genee; "Mulligan Musketeers," Atkinson; "Hon. Wlad E. Nhadan" (Land of My Fathers), Welsh National Anthem; "America," Solos, "The Making of a King," Lilia Ray by Robert Hopkins; "Mountain of Allah," Henry Gehl, by Stephen Jenkins; "The Wanderer," Schubert, by David Howells; "O na byddai 'u Haf o Hyd," William Davies, by Richard Owen; "Desert," Louis Emanuel, by Walter Evans; "My Dreams," P. Paolo Tosti, by Samuel Lazarus; "The Watchman," Squire, by David Rees; Duets, "Flow Gently Deva, Parry, by Samuel Lazarus and Walter Evans; tenor and baritone, Lane Wilson, by Richard Owen and Robert Hopkins; and selected trio and quartette numbers.

It is interesting that this in-

### FARMERS INSTITUTE OPENS AT WINCHESTER

Fine Exhibits Arranged at Community High School in Connection With Scott County Farmers Institute—Other Winchester News.

Winchester, Nov. 21.—The annual Scott county farmers institute opened Wednesday at the community high school building and will continue thru Thursday. The opening day there was an address on Child Welfare by Mrs. Dr. Wilson of Springfield, and Mrs. Everett Gibbs gave a demonstration of what she learned at the state fair school.

A. C. Everingham of Hartsburg addressed the farmers and citizens of the community and during the afternoon and again spoke in the evening at the high school. Mrs. Wilson was also one of the evening speakers, her theme being Community Health.

The program for Thursday afternoon and evening will be of equal interest and the indications are that the institute will go down as one of the most successful in the history of the county.

The exhibits this year are especially noteworthy, including extensive displays of farm products, canned fruits and vegetables, cookery, fancy work, etc., and the judges will have an exceedingly difficult task in making the awards.

The exhibits by the various schools of the county deserve special mention as they are of unusual excellence. Among the schools which have exhibits are the following:

Bloomfield, Miss Elsie Lyons, teacher.

Oak Grove, Miss Loretta Lashmet, teacher.

Seamary, Miss Ella Hawk, teacher.

Sandridge, Miss Chat Evans, teacher.

Brown, Miss Lucie Mann, teacher.

South College, Miss Margaret Jefferson, teacher.

The sewing class of the community high school of which Miss Laughlin is the teacher, also has an excellent display. Another exhibit which is of special merit is that of the physical training department of the high school.

**Emerick Funeral.**  
The funeral of Miss Lutie Emerick was held at the M. E. church Wednesday afternoon at 2:30 o'clock. The church was filled with relatives and friends of the young woman, who was a member of the senior class at the high school and well known throughout the community.

Music was furnished by a quartet including Mr. and Mrs. S. G. Smith, Mrs. Thomas Smithson and George W. Owings. The opening number was "Sometime We'll Understand," and the Scripture lesson was read by Rev. Clarence Northing who also offered a prayer. After a duet by Mr. and Mrs. Smith came the funeral discourse and the closing hymn, "Abide With Me."

The beautiful flowers were in charge of Misses Martha Leach, Mary and Katherine Glossop, Irma Cumby and Ida Mitchell, classmates of the deceased, and Miss Lois Coultas, a member of the faculty.

Burial was made in Winchester cemetery, the pall bearers being Fred Land, Richard Mason, Ewing McDonald, Francis Dolan, Clarence Green and Louis King. Mrs. F. H. Lanners of Peoria is visiting her sister, Mrs. W. N. Gish and family.

Mrs. Henry Strawn of Jacksonville attended the meeting of the Orleans Country club at the home of Mrs. C. M. Strawn Tuesday.

### FORMER RESIDENT WEDS IN DECATUR

Miss Margaret Casey Becomes Bride; was Homer Thompson — Ceremony Took Place at Parsonage of St. Patrick's Church.

Miss Margaret Casey, formerly of this city granddaughter of Mrs. Margaret Casey of Rount street, was married Monday at St. Patrick's church parsonage in Decatur to Homer Thompson of the Standard Oil Company office in Decatur. The ceremony was performed by Rev. Father Maher in the presence of a number of relatives and friends.

The following paragraphs with reference to the wedding are taken from the Decatur Herald: "Miss Bernice Walker, Bloomington, was bridesmaid and Leroy Martin, a student at Normal university, was best man. The bride wore a dress of beige chenille setin crepe with maribou trimmings and a corsage of pink roses and baby's breath. Miss Walker's dress was of caramel georgette, beaded in vari-colored beads.

"Following the ceremony a wedding breakfast was served in the home of the bride's parents, followed by a reception to a large number of the friends of the young couple. Pink and white roses and ferns were used in decorating.

"Mrs. Thompson is a daughter of Edward F. Casey, manager of Schudel Bros. Cleaning establishment. Mr. Thompson is the son of Mr. and Mrs. J. C. Thompson of Moweaqua.

"The bride attended school in Champaign, but has lived in this city for some time. The bridegroom is a graduate of the Moweaqua high school and of Brown's Business college.

Among the out of town guests at the wedding were Mrs. Margaret Casey, grandmother of the bride; Mr. and Mrs. Hugh McGuire, all of Jacksonville.

### SIMPLIFY ADDRESSES ON RURAL MAIL

New Ruling Makes Possible Delivery of Mail Without Use of Names

Jacksonville people will be interested in a recent ruling of the Post Office Department greatly simplifying the addressing of mail for delivery on rural routes.

In order to facilitate the addressing and handling of ordinary mail on which the postage is fully prepaid, in cases where it is desired to send a piece to every box holder on a rural route, the box numbers may be omitted from the individual pieces, but in order that the matter will bear a definite address as required by the Postal Laws and Regulations, each piece should be addressed in the following manner:

Box Holder,

Route 1,

Jacksonville, Ill.

All pieces for the same route must be put up by the mailer in a package labeled, preferably by means of a facing slip, as follows:

For distribution to box holders, Route 1,

Jacksonville, Ill.

Each piece must bear the required amount of postage. It is desirable that the postage on matter mailed in this way for delivery on rural routes be prepaid in money under the permit system when presented in the prescribed quantities in accordance with the provisions of section 459, Postal Laws and Regulations, or by means of precanceled postage stamps affixed to each piece under

### Important to all Women Readers of this Paper

Thousands upon thousands of women have kidney or bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease.

If the kidneys are not in a healthy condition, they may cause the other organs to become diseased.

You may suffer pain in the back, headache and loss of ambition.

Poor health makes you nervous, irritable and may be despondent; it makes anyone so.

But hundreds of women claim that Dr. Kilmer's Swamp-Root, by restoring health to the kidneys, proved to be just the remedy needed to overcome such conditions.

Many send for a sample bottle to see what Swamp-Root, the great kidney, liver and bladder medicine will do for them. By enclosing ten cents to Dr. Kilmer & Co., Binghamton, N. Y., you may receive sample size bottle by Parcel Post. You can purchase medium and large size bottles at all drug stores.

## PLAN FOR MEETING OF PRESBYTERIANS

Committee Considers Arrangements for State Conference of Presbyterian Church Here Next June

Some few days ago a committee of pastors of the Presbyterian churches and of Illinois college, Rev. W. E. Spoons, Rev. W. H. Marbach, Dr. Thomas W. Smith,

and Dr. C. H. Rammelkamp met at the Chamber of Commerce rooms and considered arrangements for the State Conference of the Presbyterian church to be held here in June, 1924. A decision was reached to have the affairs of the convention in the hands of a central committee representative of the Presbyterian churches, Illinois college and the Chamber of Commerce, and other organizations and the following were chosen to serve: For State Street church—T. M.

Tomlinson, Carl E. Robinson, Carl Gordon, Mrs. Nellie Cunningham and Mrs. C. A. Johnson. For Westminster—W. E. Spoons, Simeon Fernandes, Joseph Vasconcellos, H. H. Vasconcellos and Mrs. Van Worman. For Westminister—T. V. Archer, B. F. Shafer, Miss Eleanor Moore, Dr. Thomas W. Smith and Miss Jessie Holmes. For Illinois college—President C. H. Rammelkamp, Dean G. H. Scott, Dr. A. K. Rule, Mrs. Gimmet Agdon and W. G. Goebel. For the Chamber of Commerce—

Harold Welch, Harry Andre and M. A. Hulet. For the Rotary club—J. H. Dial. For the Kiwanis club—C. E. Williamson. For the Federated Men's club—L. B. Turner. For the Illinois School for the Deaf—Colonel O. C. Smith. Tuesday afternoon at 4:30 this central committee held a meeting in the Chamber of Commerce rooms. Rev. W. H. Marbach was chosen temporary chairman, and explained the plans in general and something of the work required to accomplish these results. Rev. Smith, Rev. Spoons and Dr. Rammelkamp also discussed the plans, after which a general conference was held, and the chair appointed a committee, to nominate the general chairman and the other executive officers of the conference, consisting of Rev. Smith, Dr. Rammelkamp, Rev. Marbach and Rev. Spoons, and H. M. Andre.

The program will represent the four boards of the church, and one day will be devoted to the cause of Christian Education; another to National Missions; another to Foreign Missions; and another to Ministerial Relief. Among those expected to appear on the program according to the tentative outline of Dr. H. S. Brown of Chicago, the chairman of the program committee are: the Hon. Will H. Hayes, National Movie Director; Dr. Robert E. Speer, Dr. William C. Covert, Dr. Joseph Vance. Dr. Covert has just recently been appointed general secretary of the Board of Education and has resigned his pastorate of the First Presbyterian church of Chicago to assume the duties of this office. The general chairman outside of Jacksonville is the Rev. Walter R. Creamens of the Westminster Presbyterian church of Springfield.

As mentioned before one of the great features of the convention will be the big banquet Tuesday evening, June 24, when it is hoped 1,000 guests will be present. Next Tuesday afternoon another meeting of the central committee will be held at which time the nominating committee will make its report and the permanent general chairman will be elected.

The largest week night audience thus far in the series was present at Central Christian church last night and two persons responded to the invitation to come forward. Mr. Hackleman gave a hymn study entitled "The Light of the World," and Miss Lucille Strandberg sang a solo. At the close of the service a number of persons were baptized. Dr. Peters spoke last night on "The Gospel in Symbolism," and this theme was especially appropriate in view of the baptismal service celebrated.

A few paragraphs from the sermon are given below: "The great facts of the Gospel are Death, Burial and Resurrection of Christ. These facts are symbolized in the obedience of one who would become a Christian."

"The individual must die unto sin. Death is a separation. When one dies unto sin he is separated from sin. This reduces a great issue to terms easily apprehended. He must be buried. Christianity demands baptism. Christ commanded it. Baptism is a burial. Paul states that we are buried with Christ by baptism into his death. This gives this beautiful New Testament ordinance a spiritual significance in the plan of God."

"He must arise to walk in newness of life. There are three events then in Christian baptism: Death unto sin, burial with Christ, and a resurrection to the new life. It is true that the burial is incidental to the other two, but it is an incident without which the others have but little meaning. To die unto sin and to arise to walk in newness of life—these constitute climaxes of spiritual reality. But the burial with Christ gives a new meaning to death unto sin, and is the way to the resurrected life."

INTERRED HERE AFTER ABSENCE OF 40 YEARS John J. Wills, Who Helped Build Car Shops, Brought Here from Omaha—Resided Here in '70's Funeral services for John J. Wills, whose death occurred recently in Omaha, Neb., were held at 4 o'clock yesterday afternoon at Diamond Grove cemetery, in charge of Rev. W. H. Marbach. Mr. Wills was 85 years of age at the time of his death, and had resided in Omaha since leaving this city in 1883. He was a resident of Jacksonville from 1870 to 1883, during which time he had a position at the old water works plant. He also helped to build the C. P. & St. L. car shops in this city. His wife preceded him in death 14 years ago and was buried in Diamond Grove cemetery. The remains were accompanied by a son, J. L. Wills of Omaha, who was born in this city. He has not been here since the death of his mother. Other surviving children are W. L. Wills of Los Angeles, Lieut. F. R. Wills of the Mare Island Navy Yards, E. P. Wills of Chicago, J. P. Wills of Minneapolis, and one daughter, Mrs. A. C. Smith of Ketchikan, Alaska. Although Mr. Wills has been away from this city for 40 years, the work he helped to do here still stands. It is probable that only a few older residents remember him. When word of his death was received here, no one could be found who recalled him or any of his family as local residents. His son, J. L. Wills, brought with him a clipping from the Journal of 14 years ago, telling of the burial of Mrs. Wills. He also has in his possession a certificate showing that his father was a member of Illini lodge No. 4, I. O. O. F.

BAPTISMAL SERVICE AT LOCAL CHURCH Several Persons Baptized Last Night at Central Christian Church at Close of Service. The largest week night audience thus far in the series was present at Central Christian church last night and two persons responded to the invitation to come forward. Mr. Hackleman gave a hymn study entitled "The Light of the World," and Miss Lucille Strandberg sang a solo. At the close of the service a number of persons were baptized. Dr. Peters spoke last night on "The Gospel in Symbolism," and this theme was especially appropriate in view of the baptismal service celebrated. A few paragraphs from the sermon are given below: "The great facts of the Gospel are Death, Burial and Resurrection of Christ. These facts are symbolized in the obedience of one who would become a Christian."

"The individual must die unto sin. Death is a separation. When one dies unto sin he is separated from sin. This reduces a great issue to terms easily apprehended. He must be buried. Christianity demands baptism. Christ commanded it. Baptism is a burial. Paul states that we are buried with Christ by baptism into his death. This gives this beautiful New Testament ordinance a spiritual significance in the plan of God."

# Sister Mary's Kitchen

BY SISTER MARY

ARE you thinking of ordering your Thanksgiving turkey? Perhaps these suggestions will help you to serve the best one on record. A turkey, to be in its prime, should be of last spring's hatching. This means that the bird will weigh from eight to ten pounds. Of course, there are turkeys less than a year old weighing several pounds more, but to be on the safe side order "from eight to ten pounds, preferably a hen—and yours can't help but be tender."

An eight to ten-pound turkey will serve six or eight persons. If you must serve more people, use two eight-pound turkeys rather than one very heavy one. A young hen turkey should be plump, have smooth, dark "drumsticks," and the cartilage at the end of the breast bone soft and pliable. If these conditions do not hold, have none of the bird, for a poor, bony turkey weighing eight pounds would be tough and old.

If a turkey more than eight or nine months old must be used, a "gobbler" usually will be found to be better eating.  
Why Is Thanksgiving?  
When you are planning your dinner, think for a minute of the tradition back of the present Thanksgiving day and keep your menu simple and homely. "Tors d'oeuvres" have no place on a typical American Thanksgiving dinner table. Let the turkey hold the center of the stage, so to speak, and build the dinner around it.

If you must prepare and serve the dinner without a maid, do all the things it's possible to do the day before Thanksgiving. Make the cranberry sauce, stone the raisins for the pudding, have the pumpkin ready to make into pies, the salts and peppers filled and shining, and all the little things attended to that take so much time and thought at the last minute.

If a "big dinner" can be prepared with a calm mind and without rush and flurry it's really lots of fun.  
Your butcher should dress the

# BUSINESS MEN TELL OF LIQUOR PURCHASE

CHICAGO, Nov. 21.—Business leaders of Chicago continued their trips to and from the witness chair today in the trial of 12 officials and other men indicted in connection with the dissolution of the Grommes & Ullrich Liquor company in which stockholders were given cases of liquor in lieu of stock certificates.

One witness, Samuel T. Chase, wealthy insurance broker of Lake Forest, admitted on the stand today that he received four cases in addition to the 18 he received in exchange for his stock, the extra cases being in the way of a reward for passing the word among wealthy residents of Lake Forest and Chicago's "gold coast" of the proposed dissolution.

# TELEPHONE TALKS

Sometimes, when a number is asked for on the telephone, the operator reports that the number called does not answer.

Experience shows the operator is seldom mistaken. In the majority of cases the person called is absent or not near enough to hear the telephone bell. Sometimes he is just slow in answering.

"Don't answer" reports would be greatly reduced if subscribers would be prompt in answering when their bells ring.

### RED CROSS ROLL CALL STARTS TODAY

Remember the Disabled American Soldier

Mrs. Charles Wild of Woodson made a business call to the county seat Wednesday.

## THE RED CROSS IN ILLINOIS

"The Red Cross has never closed its doors since war times" has been the proud boast of public spirited citizens of Illinois, and according to Red Cross members all over the state, it will never close the doors as long as there is a job to do. With this in mind, workers thruout the state are co-operating to make the Seventh Annual Roll Call the biggest success since the war.

More and more people have come to realize that the Red Cross program of preparedness is one which every community must have. The value of this organization was proved in the recent response of Red Cross chapters all over the state and nation to the relief of the Japanese. There can be no question of the service rendered at that time as well as in many other disasters, a service which warrants the support of every patriotic citizen of America.

The whole program of the Red Cross is one of preparedness. Practically all of the 125 chapters in Illinois are gladly and efficiently serving the ex-service men within their boundaries, performing for them services which cannot be measured in dollars and cents. No one is better qualified to understand and appreciate the wonderful service of this organization than the former service men. With untiring patience, home service workers have left no stone unturned in order to establish worthy claims and secure for the disabled man the compensation, hospitalization or vocational training which is his just due. Loans are being constantly made to these men and their families as well as the most sympathetic and scientific social service of which they are in constant need. The home service work has increased rather than decreased in the past year because of disabilities of various kinds which are for the first time appearing in the men and can be readily traced to war service.

More than \$8,000,000 was spent in this work last year by the National Red Cross in addition to the large amounts spent by chapters.

As an auxiliary to the Red Cross, nearly 200,000 children in Illinois have been banded together into an organization of service known as the Junior Red Cross. These Juniors representing 559 schools in all parts of the state have carried on activities which almost make their elders envious. Soldiers in hospitals have had their hearts gladdened by attractively made boxes containing all sorts of useful and entertaining articles, letters, valentines, candy, flowers and comfort kits. Handy children have been supplied with clothing, glasses, crutches and other necessities. Hospital bills have been paid out of Junior funds, toys, surprise boxes and other things have been sent to children's hospitals and milk has been furnished to school children. The program is one of service from start to finish, one in which every educator thruout the state is eager to co-operate.

Many other services closely affiliated with the health, disaster and war services are being successfully carried on by the chapters in this state. These include social service, first aid, life saving and volunteer service all of which go to make up a completely rounded program which spells "service" to Illinois communities.

Roll Call Director.

## SELLS BUSINESS TO WRIGHT-KING COMPANY

The hardware, harness and implement business conducted for a number of years in Murrayville, Ill., by James L. Solomon, has been sold to a newly organized firm to be known as Wright-King Co. W. E. Wright, senior member of the new firm announced Wednesday night that they had combined the stock and business of Wright Brothers with that of the new company.

Lee H. King, the new member of the firm, is from Carrollton, Ill., and is reputed to be a man of character and business experience who will be welcomed in the business community of Murrayville. The Wrights have been residents of the community for many years and are well known. Mr. Solomon has not yet decided on his future line of work.

## Don't Fuss With Mustard Plasters

Musterole Works Without the Blister—Easier, Quicker

There's no sense in mixing a mess of mustard, flour and water when you can easily relieve pain, soreness or stiffness with a little clean, white Musterole. Musterole is made of pure oil of mustard and other helpful ingredients, combined in the form of the present white ointment. It takes the place of mustard plaster and will not blister. Musterole usually gives prompt relief from sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it may prevent pneumonia).

To Mothers: Musterole is now made in milder form for babies and small children. Ask for Children's Musterole.

### HIGH SCHOOL JUNIOR SENATE MET

The members of the Junior Senate met yesterday afternoon at the High school at the eighth period.

After the business of the organization was discussed there was a very interesting and enthusiastic debate on the subject: "Resolved that all European immigration in the United States should be prohibited by law for a period of two years." Clifford Marshall and Mardelle Kilham debated the question on the affirmative side and the negative side was defended by William Vickery and Lorna Carpenter. The remainder of the program consisted of extemporaneous talks and a reading by Edith Ruyle.

### JOHN CHERRY'S LIFE JOURNEY ENDS

Death of Prominent Business Man Occurred Wednesday Night—Funeral Will be Held Friday Afternoon.

The death of John Cherry long time resident of Jacksonville occurred about 8:30 o'clock Wednesday night at his home on South Church street. Mr. Cherry had been in failing health for the last two years but had been confined to his home only about ten days. Death came as the result of a stroke of paralysis suffered a week since, and members of the family and immediate friends had realized that his condition was critical.

Mr. Cherry, who was a son of the late John Cherry, was born in this city Jan. 8, 1862, and all of his life was spent here. After attending the public schools of Jacksonville, Mr. Cherry engaged with his father in the management of a livery business which grew to be one of the largest in central Illinois. The livery equipment and funeral outfit maintained by Cherry & Son were the finest known in this territory.

After engaging for years successfully in this business, Cherry & Son became general paving contractors and practically all of the earlier paving work in Jacksonville was done by this firm. Subsequently they had extensive contracts in the same line of work in Bloomington, Pontiac, Ottawa, Princeton, Edwardsville, Lawrenceville and some other Illinois cities.

Subsequent to the death of the elder Mr. Cherry the business was conducted by John Cherry, Jr., under the old firm name. About six years ago because of the changed business condition relating to contract work Mr. Cherry retired from the business. Years ago the Cherry livery barn on East Court street was destroyed by fire and subsequently the firm purchased the old Mayfield barn on North Main street and erected a new building. In the course of a few years the business had increased to such an extent that Turner hall on an adjacent lot was purchased and enlarged into the Cherry Annex.

The coming of the automobile eventually changed the livery business into the auto service station which is operated today under the Cherry name.

Mr. Cherry was a member of State Street Presbyterian church and had a reputation for strict business integrity. He has also thru the years been a liberal supporter of various philanthropic efforts.

The deceased is survived by his wife, one son, Percy Cherry of Detroit, one daughter, Mrs. Norton Warren of Mt. Vernon, Ill. He leaves also three sisters, Mrs. A. P. Vasconcellos of this city, Mrs. Frank DeFries of Springfield and Mrs. Effie Estabrook of St. Louis. He leaves also three grandchildren, Louise, John and Donald Cherry.

The funeral services will be held Friday afternoon at 2 o'clock at the residence, 202 South Church street, in charge of Rev. W. H. Marbach, assisted by Rev. W. E. Spoonst and Rev. J. F. Langton. Interment will be in Diamond Grove cemetery.

### HARDWARE MEN HELD GROUP MEETING HERE

Members of the State Hardware Retail Dealers association within a radius of fifty miles of this city held a group meeting Tuesday evening at the Pacific hotel here. Supper was served at 7 o'clock, the company including twenty-six members of the association.

J. I. Graham of this city is the president of the group and introduced P. N. Mullikin of Elgin as the speaker of the evening.

The speaker's theme was "Better Hardware Merchants," and the address which was illustrated with stereopticon slides, was an especially interesting one for those present.

The state convention will be held in Chicago Feb. 21 and 22 of next year and officers will be elected at that time.

### DR. NORBURY HOLDS RED CROSS RECORD

The calling of Red Cross roll in Morgan county each year frequently reveals some very interesting facts. The Roll Call committee recently discovered that Dr. Frank P. Norbury probably holds the record for continuous Red Cross membership. Enrolling as a member of the Red Cross, for the first time 37 years ago, Dr. Norbury has maintained his membership ever since.

This record, which is the longest known in Morgan county, goes to prove that interest in Red Cross is not restricted to war time.

Mrs. Charles Watts was among the Wednesday callers in the city from Franklin.

### DAVID PRINCE P. T. A. TO MEET TOMORROW

Much Interest is Manifested in Contest Between Seventh and Eighth Grade Pupils Which Closes Tomorrow.

Friday night will be the second meeting this term of the David Prince Parent Teachers' Association, and the two contests are on attendance at the meeting by the parents, and the visiting parents contest. The latter has been assuming greater interest as there are but a few more recitation periods to win points on. One day it looks as if the eighth grade will win, when the seventh grade children stir up the parents, and the next sessions count for the seventh grade.

No doubt today and tomorrow will be great parents' day at the David Prince headquarters Wednesday noon told of the seventh grade making 16 points Tuesday and 6 more up to noon Wednesday. The eighth grade pupils will have to do some hustling to get their parents in and if the seventh grade parents continue in the admirable way they have been doing, it will be a close race, and appearances are that both grades will have some work to do.

It is also reported that some sections have workers making a "parent-to-parent" campaign to get their credits up to the highest notch before Friday night. Tokens or recognition will be presented to the winning grade in both contests at the meeting Friday night.

The program promises to be very interesting, and will be class work largely in demonstration of education week, the details of the program appearing later.

### SOLEMN RITES HELD FOR VIVIAN VIEIRA

Impressive Services Held Yesterday Afternoon at Northminster Church—Many Present From Out of Town

Impressive funeral services for Miss Vivian Vieira were held at 2:30 o'clock yesterday afternoon at Northminster church, in charge of Rev. W. E. Spoonst. Music was furnished by Frank Bracewell, Miss Laura Fernandes, George Correa and Hiram Day, with Mrs. George Ferreira as accompanist. The services were largely attended, and the sermon given by Rev. Spoonst was in eulogy of the deceased and contained many personal reminiscences. He took as his topic the beauty of the life of Miss Vieira. She ranked high in her work at the Business college. Indeed her work there was of such an outstanding nature that the principal often referred to her as an encouragement for other students. All her school days in the various schools and colleges of the city which she attended were characterized by an ambition and intellect that were beyond her strength.

Here was an unselfish life, both in her home and among her friends. Now there is a broken link in the family, which will be rejoined in the world beyond. "If Vivian does not go to Heaven, there is no chance for any of the rest of us in this church," was the speaker's comment at one point in his sermon. Rev. Spoonst seldom uses poetry in his sermons, but the beauty of Vivian's life and the tenderness which it inspired in him, led him to make free use of quotations in the most touching manner. At one point when he had developed the thought of how hard it is to give up a loved one, he added that we must not complain, and quoted: "Jesus, while our hearts are bleeding, O'er the spoils that death hath won, We would at this solemn meeting, Calmly say, 'Thy will be done'." Guests at the funeral from out of the city included: Russell Ornellis, Nicholas Vieira, Mr. and Mrs. Joseph Martin and children, all of Beardstown; Mrs. Isabel Fernandes, Mr. and Mrs. Loren Drendel and daughter, Leona, Mrs. Sarah DeCastro and daughter, Mrs. Lennie Guyman, Mrs. Albert Ferreira, Mr. and Mrs. Fred Baptist and son, Orville, and daughter, Betty Ruth, Mrs. Buchanan, E. M. Vasconcellos, Mr. and Mrs. Reuben Vieira, Mr. and Mrs. Ross Baptist, Mrs. John Lewis, John Martin, and daughter, Iola, all of Springfield; Mrs. Beulah Powers of Peoria, Mrs. Arthur Smith, Mr. and Mrs. Earl Smith, all of Virginia; Chester Ferreira of Pekin; Mrs. Elizabeth Mitchell of Wheaton, Ill.; David Martin of Chicago; Mr. and Mrs. Burmeister of Sicair.

Those in charge of the many beautiful floral offerings were the Misses: Janette Porman, Irene Sheppard, Margaret Baptist, Lilian Sardinha, Etta Vieira, Bernice Vieira, and Marie Baptist. The bearers were Fred Vieira, George (ra)Vieira, Amos Vieira, Chester Ferreira, Russell Ornellis, and Reuben Vieira, all cousins of the deceased. Interment took place in Jacksonville cemetery.

### POINT CHURCH LADIES AID SOCIETY MEETS

The Ladies Aid society of the Point church held a meeting Wednesday afternoon at the home of Mrs. L. L. Emerson. There was a large attendance of the members and there were also several guests present. A brief and informal program was carried out after the business session, and later came a social hour. The hostess served dainty refreshments in the late afternoon.

### BLACKBURN ELEVATOR ROBBED LAST NIGHT

Two Men Enter Office and Make Manager and Employees Lie Down While They Take \$189 From Till

Another daring holdup was staged in this city at 5:30 o'clock yesterday evening when two men entered the office of the Blackburn Elevator Co., on East College avenue, compelled the manager, Joe Breeding, and two employees to lie on the floor, and took \$189 in cash from the safe and till. One of the men entered the office from the front and the other from the side door. Drawing guns, the bandits ordered the three occupants of the room to lie down, and told them to remain quiet for five minutes after their departure. The men in the office heard the purr of a motor after the robbers had gone, and stated that the car went west. There was probably a third man in the gang, who remained with the car.

The description of the two holdup men were meagre. The more active of the two wore a dark round hat, leather sleeved vest, yellow overalls and dirty work shoes. The other man wore a dark overcoat. Both were about middle height, weighed about 160 pounds each and looked to be 25 to 30 years of age.

Police were put on the trail soon after the robbers left, and notified surrounding towns. This is the third robbery of this sort to be pulled off here in the past few weeks, and it is thought that the same gang is back of all three crimes.

### TO DEDICATE MODERN SCHOOL AT WOODSON

Program of Music and Speeches Will be Given at New Building Friday Evening—Structure Cost \$18,000.

The new modern school building at Woodson, which was completed about five weeks ago, will be dedicated Friday evening with a program and general social gathering. The festivities will begin at 7:30 o'clock. Pupils from each of the two rooms in the school will furnish numbers on the program, and the Woodson band will furnish music for the occasion.

A number of speakers are to be present, including County Superintendent H. H. Vasconcellos and Rev. A. E. Powell of Fancy Prairie, former pastor of the Presbyterian church at Woodson. Following the program the Woodson ladies will serve refreshments, and all will enjoy a social hour and get-together meeting.

The school has been in use by the children and teachers for the past five weeks. Lowell Kinser is the principle and Miss Ruth Mellor teaches primary grades.

The new building is modern in every respect. It is a brick structure containing two school rooms, a large assembly room and having a basement under all the floor space. It was erected at a cost of \$18,000 and replaces the old wooden building which burned down more than a year ago.

Woodson now has a standard school, meeting all state requirements. The citizens are proud of the new building, which is a beautiful structure and adds much to the attractiveness of the community.

### INDIANAPOLIS MAN IS LOCAL VISITOR

Rev. W. J. Price of Indianapolis, is a very interesting Jacksonville visitor, having been a minister, newspaper man, and a civil war veteran during 81 years of life. Even at this advanced age, he leads an active life, his mission being, as he puts it, "teaching people to love each other." Although affiliated with the "Church of Christ," he credits make no difference to him, and he has preached from pulpits in various church denominations. For the last two evenings the Rev. Price has preached at Alexander and expects to preach here the latter part of the week.

He has had newspaper experience with the Cincinnati Enquirer, Ohio State Journal, and the Louisville Courier-Journal, and at the time of consolidation of these two newspapers in 1867 was in Louisville. Rev. Price has a son who served in the World War.

### PETTY THIEF TAKES CHURCH FLOWER FUND

Enters Brooklyn Church and Tears Money Box from Wall, Removing Change

One of the most contemptible instances of petty thievery which has occurred in this city in years was perpetrated at Brooklyn church yesterday. When the janitor went to the church last night, he found that a small box which was attached to the wall of the church auditorium near the entrance, and contained money for a church flower fund, had been torn from the wall. The lock had been broken and what change was in the box had been stolen.

The fund was raised thru the contributions of church attendants who dropped small change in the little box from time to time. It is not known what amount was in the box at the time of the robbery. It is evident that someone entered the church sometime between Sunday and Wednesday evening and committed the theft. This is the first instance of this kind with which Brooklyn people

have had to deal, and they are at a loss to know who could have taken the money.

The wife and three sons, William, Joseph and Oscar, survive. She is four years his junior and does the housework and some choring regularly.

The deceased was a member of the M. E. church, but the Pentecostal denomination will have charge of the funeral, the course being delivered by Rev. Hoyt of Carrollton at 2 o'clock Thursday in the church at Belltown, and the singing will be by a Pentecostal band from Carrollton. The burial will be in Belltown cemetery.

Miss Emily Smith represented the local telephone office at the sessions of the independent telephone managers and accountants in Peoria last week, and some of the new ideas are being put in effect here. Miss Smith is assistant to the local bookkeeper Miss Ethel Culbertson.

Women Tell Each Other How They Have Been Helped by Lydia E. Pinkham's Vegetable Compound

Perryburg, O.—"I took Lydia E. Pinkham's Vegetable Compound because I suffered with pains in my sides all the time. I can't remember just how long I suffered, but it was for some time. One day I was talking with a lady I met on a car, and I told her how I was feeling and she said she had been just like I was with pains and nervous troubles, and she took the Vegetable Compound, and it cured her. So then I went and got some, and I certainly recommend it for it is good. Whenever I see any woman who is sick I try to get her to take Lydia E. Pinkham's Vegetable Compound."—Mrs. ADA FRICK, Route 3, Perryburg, Ohio.

In nearly every neighborhood in every town and city in this country there are women who have been helped by Lydia E. Pinkham's Vegetable Compound in the treatment of ailments peculiar to their sex, and they take pleasure in passing the good word along to other women. Therefore, if you are troubled in this way, why not give Lydia E. Pinkham's Vegetable Compound a fair trial.

The local post of the American Legion have given up their quarters in the Bridgewater building, and they will no longer maintain quarters of their own. It is the understanding that the A. L. and the G. A. R. posts will have meeting place in the club room of the new library or in the city hall for business sessions. The G. A. R. post will hold an election of officers next month, according to Adjutant, G. R. Adams, who says that the post is still retaining its identity quite effectively with fifteen members while there are twenty-one survivors of the Civil War in this community. This is the only active G. A. R. post in the county. At Carrollton Dr. James Squire is carrying on the work practically single-handed.

Information is wanted concerning one Edwin J. Thomas, veteran of the World War, born in White Hall, and whose discharge papers have been picked up on the streets of Detroit, Mich. Any information bearing on the subject should be reported to Harry P. Lyons.

Mr. Lyons is in receipt of a communication from Lyle L. Taber, department adjutant of the American Legion at Detroit, saying: "There has been turned into this office a lost discharge from the United States army. This discharge was found on the streets of the city of Detroit, and turned in to our office. We are particularly anxious to turn over this discharge to Mr. Thomas, and would consider it a favor if you would give us any information in regard to Mr. Thomas."

## NEW GERMAN OIL FORMULA RUBS OUT RHEUMATIC PAINS

Local Druggists Give Written Guarantee to Refund Money if First Application Fails to Bring Relief

A remarkably new discovery now promises quick, soothing relief to Rheumatic Sufferers. German chemistry that has given to the world the boon of Aspirin for the relief of headache pains, and Novocaine for painless dentistry, has now come forward with another scientific discovery that is absolutely guaranteed to end rheumatic pains.

This marvelous discovery, known as Buhler Oil, is a new combination of certain rare oils, which produces a clear amber liquid that is applied with the finger tips. It is so penetrating that it disappears within a few seconds, so it must be entirely absorbed by the body tissues. Results are truly amazing! Tired muscles regain life, cranking joints become supple, annoying twinges cease. Even the most advanced, stubborn cases show astonishing improvement almost at once.

Rheumatism, it has been found in an enormous number of cases, is due to toxic poisons formed in the intestines, which are carried by the blood to the muscles and joints—and the new German oil is designed to neutralize these pain-causing poisons.

So amazing have been the results from this German discovery that American distributors have authorized local druggists to offer it under a positive written guarantee, signed by the druggist himself, to refund the purchase price if even the first application fails to bring prompt and gratifying relief.

If you suffer from stabbing rheumatic pains in the arms, legs and muscles—if your back sometimes feels as if it would break in two—if your joints rasp and torture you—then by all means try a bottle of Buhler Oil today. You'll never want to be without it.

Remember—it is sold under an absolute written guarantee from your druggist. It falls to give you relief after the first application, your druggist will refund the money without question. In this city Buhler Oil can be obtained under this written guarantee from good druggists such as: Armstrong Drug Co., Gilbert's Pharmacy, J. F. Shreve, Long's Pharmacy, Coover Drug Co. (adv.)

Mrs. A. W. Baird who has been a patient at Our Saviour's hospital in Jacksonville for the past nine weeks returned to her home Sunday.

Mrs. J. E. Likes expects to leave soon for an extended visit in Tempe, Ariz., the guest of her sister, Mrs. Forrest Ostrander.

## JACKSONVILLE AND ITS MAYOR

(Rockford Star)

Mayor Crabtree's recital of what co-operation did for Jacksonville was one of the most inspiring talks ever made in Rockford. His great point was that Jacksonville got itself to thinking as a community, not as a political party. This paper may decently recall some of the comment it made during past city elections, bearing on that very point, for it urged this city to remain a community not a partisan battle ground.

Jacksonville people have performed a great service to American municipalities. Having tried both commission and aldermanic forms of government they found that good government is not a matter of form but of popular interest and co-operation. Under the circumstances, service without pay was the only course open to willing workers for that city at that time. Whether that is a good idea for cities which have established their government on a sound basis is an open question. Good government is worth paying for and the city official is worthy of his hire.

Co-operation, always a wholesome thing, cannot be stressed too much.

Mayor Crabtree is a delightful herald of that fundamental need in good city government.

MANY are the eyes that are turned to gaze with keen admiration on the well developed beauty of a girl no matter where she may be—on the rapidly moving thoroughfare or gliding gracefully over the dance floor.

All eyes turn because we all appreciate the girl with the firm and plump—the girl who actually red cheeks, cheeks that carry a touch of roses from a sure own garden—the girl who has sparkling eyes, keen and shining with buoyancy and the wing of youth.

Not necessarily an out-of-door girl. Just a girl who is ever in reaching bloom. Just a girl filled with the vim and vigor of youth.

S. S. S. since 1926, has stood for increased blood cells. S. S. S. renews restored strength—rekindled vitality—added energy. Take S. S. S. and watch the bloom of youth return to your cheeks. ## BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.

Headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." They "clear" clouded brain and "perk up" the spirits. 15c and 30c

## MISS RIECKE WRITES ABOUT VIRGINIA WORK

Miss Jacobina Riecke, former Red Cross nurse of Morgan county, has recently written to friends in this city of her work as public health nurse in Parkersburg, W. Va. Miss Riecke is one of the two nurses employed constantly in that county, and in traveling thru the country districts, she finds it necessary to make most of her journeys on horse back, because of the mountains and poor roads.

## CONFERENCE RACE IS IN FINE MIXUP

CHICAGO, Nov. 21.—Jockeying into form for the final fight of the season, Big Ten coaches are attempting to put the squads in their best fighting trim for Saturday's five Big Ten contests. The championship race is in as fine a mix up as the most ardent fan could hope for, with three teams having a chance.

Illinois has four victories; Michigan has three and Minnesota has two victories and a tie. The Illini must overcome Ohio State at Columbus to lay claim to first honors, while Minnesota and Wisconsin fight it out at Ann Arbor.

Of secondary importance, only in that they are out of the race for the championship, are fights between Iowa and Northwestern at Evanston; Purdue and Indiana at Bloomington; and Wisconsin and Chicago at Chicago.

Iowa is hoped for an easy victory over the Purple; Purdue and Indiana are considered more evenly matched while all predict a close fight between Chicago and Wisconsin.

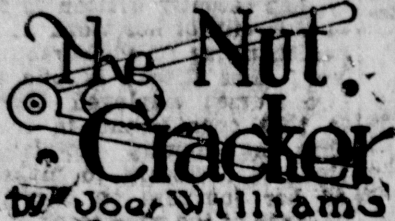

## FRENCH NOT STIRRED OVER PROPOSED RACE

Paris, Nov. 21.—(A.P.)—The proposed international race at Longchamp next May for horses of the breeding of 1920 has stirred the French racing world to its depths and, as was expected the project does not receive a unanimous welcome.

The leading evening racing paper, Paris Sport, for example, adversely criticises the plan on the ground that sufficient opponents already exist for the meeting of the International cracks. It instances the derby and the Grand Prix de Paris for three year olds and the Arc de Triomphe for all ages.

The New York Giants, to a man, consider "Bubbles" Hargrave of the Cincinnati Reds the best catcher in the National League. McGraw would be willing to pay a fancy price to get him. Hughie Jennings pays to Hargrave's batting ability.

## Two Stars Add Punch to Illinois; Make Good Zuppke's Prophecy

BY BILLY EVANS

One player who is a real star often makes a baseball team or a football eleven. Two great players often change a team from an ordinary aggregation to a championship combination.

In the career of every football coach there comes a few bad years at stated intervals. Several years ago some of the alumni at Michigan were yelling for the head of that most remarkable of coaches, Fielding Yost. Today the same fellows are singing Yost's praises.

Bob Zuppke, after first taking the reins at Illinois, had years of continued success. Then there came a break against him, in

## "BEAT OHIO" SLOGAN OF ILLINI INVADERS

URBANA, Ill.—As the Illinois football team tore up and down the field in practice this week, before every lineup, they chanted: "Beat Ohio!" Which was pretty good evidence that Zuppke was convincing them that they would not have easy sledding at Columbus despite the reverses which the Buckeyes have sustained this season.

It's a pretty hard task to steer a team thru a season undefeated. None roxalies this more than the little coach and he has worked hard all week to prevent overconfidence from insinuating itself into the cogs of the Orange and Blue machine.

The Illini invade Columbus in far different shape from their journey two years ago. Then they had lost every conference game and Ohio had won all of its Big Ten battles. Now Illinois upset the football world by its victory is fresh in every mind. Now the Illini will run out in the stadium arena with the prestige of an unblemished record.

It looks as if "Zup" will be able to put his team in the field intact. Wallie McIlwain was bungled up a little in the Mississippi game but he should be fit by game time. The players are rarin' to go. Zuppke has carefully nursed them along and there do not seem to be any symptoms of stalemate.

On their return from Buckeye-dom, the players will be feted by the Champaign Rotary Club on Monday night when a captain will be elected.

The New York Americans must be strengthened at shortstop. Everett Scott hasn't more than a couple of years of big league play in his system. He has slowed up badly in the last two years. which his material was very ordinary and for several years Illinois was bringing up the tail end of the conference standing with great regularity.

Last year after Illinois had been rather badly beaten in a conference game, I expressed my sympathy to Coach Zuppke over the outcome.

"Those things must happen," said Zuppke, "only one team can win. Wait until next year. We will get revenge for a lot of the beatings that have been handed us during the last two or three years."

"Got something up your sleeve?" I asked.

"Several somethings," he answered. "I have the fastest backfield man I ever coached on the freshman squad, also a great punter, who can hurl the ball and run with it as well as kick it. In addition, three or four other players almost as good."

"Why, the other day in a practice game against the 'varsity' I gave this fast back the ball to

brush the regulars up on a certain play that was a favorite with the team that was to oppose us on the following Saturday, and he ran the length of the field with the ball. Since the 'varsity' knew just what play was coming it made me sore. I took the ball back to the same spot, gave the varsity a cussing and told them we would try the same play right over again. The same player got the ball on a direct pass from center and again ran the length of the field. That ended practice for the day."

Zuppke at the time refused to tell me the names of the two freshman stars, but insisted the pair would mean better things for Illinois in football.

Recently, before the Illinois and Chicago game I reminded Zuppke of our conversation.

"I remember," he replied, "the players I was talking about were Grange and Britton. You will see them in action tomorrow and understand why I enthused."

I saw and understood.

## ILLINOIS PRACTICES ON FORWARD PASSES

With Reserves Using Formations of Terrible Sweden Varsity Team Gets Splendid Drill — Field Is Fast.

There has been no let up in the Illinois College preparations to meet Augustana College in the last game of the season to be played here on Saturday afternoon.

Tuesday afternoon was devoted to a dummy scrimmage in which the regular team got a long drill in making forward passes. They kept the reserves busy trying to break them up. Yesterday afternoon real scrimmage was the order of the day with the regulars again on the offensive and using forward passes freely. They completed a large proportion of them and had little trouble gaining ground at the expense of the reserves.

This afternoon considerable time will be devoted to defensive work for the regulars who will try to stop the reserves as the latter use Augusta formations and plays.

Augustana is credited with having a much heavier team than Illinois and their offense will likely be launched against the line and off the tackles. Illinois is preparing to meet this style of play and the players believe they will make ground gaining by this method tough work for the "Terrible Swedes."

The field is dry and extremely fast. If it is in such condition Saturday a game as thrilling as the Eureka game is likely to be in store for the fans.

## CHAMPS ARE BESET BY JINX FIGHTERS

Harry Greb's Recent Experiences in Bout Against Soldier Jones Shows That Mental Hazard Exists in the Game of Fisticuffs.

(By Joe Williams)

The mental hazard exists in the prize ring, too. Only the knucklers don't call it that. Tough egg comes closer to the phraseology used. A tough egg is an inferior battler who always manages to make some particular star look bad.

Most of the champions have at least one tough egg on their list. Benny Leonard's tough egg is Johnny Dundee. Considering the difference in weights, and the added fact that Leonard is accepted as the greatest lightweight since the days of Gans and Lavigne, Dundee has no license even to give him an interesting fight.

Dundee, however, always gives him a great fight. They have fought a dozen times or so. Leonard has yet to knock him out. Only once has he scored a knockdown. Usually at the finish Dundee is fighting on even terms with his heavier and more gifted foe.

A suspicion exists in some quarters that Leonard "carries" Dundee. This is untrue. Dundee is Leonard's mental hazard and the champion can't shake him off.

## Greb's Mental Hazard

Harry Greb, champion of the middleweights, has an active, two-fisted hazard in the person of Soldier Jones of Canada. Very likely you never heard of Soldier Jones before. You don't hear his name mentioned when the parlor chit-chat concerns the big leaguers of cauliflowerdom.

Jones is pastry for some middleweights, and poison for Greb. The Canadian came within a wink of knocking out Greb when the Pittsburgher held the light heavyweight title.

Jones, a wild swinger who starts his punches from the subcellar, caught Greb on the chin with a right-hander, and the titleholder went down with a resonant boom. A few minutes later Jones caught him with another whizzing wallop and knocked him across the middle rope.

Greb's amazing recuperative powers and fine courage alone enabled him to escape serious trouble.

Some several days ago Greb and Jones met in a return bout at Pittsburgh. This time Greb knew what to expect. He knew Jones was a wild swinger and a terrific hitter. Greb adopted cautionary methods, but back deep in his memory flamed pictures of his first fight against Jones, and the knockdowns.

## More "Tough Eggs"

Greb couldn't get them out of his mind and in less time than it takes to tell, Jones had him on the floor again, the result of another sweeping right hander. As soon as Greb got up Jones knocked him kicking again, thus rewriting, in almost identical terms, a chapter from the first fight.

Greb reassembled his addled wits and came on to win after a sensational uphill fight; but he won't forget soon the second narrow escape he had at the hands of a battler of mediocre talent.

Other champions have had their mental hazards.

Jack Dempsey, next to Bob Fitzsimmons, the greatest of all heavies, could never do much against Willie Meehan, the Pacific coast roly-poly. Meehan, on the other hand, could win from nobody else.

Pancho Villa, who knocked the great Jimmy Wilde into retirement, has thrice been beaten by Frankie Genaro, a New York Italian of negative skill. Easy for others, Genaro, in some manner or other, finds Villa an appetizing dish.

Pete Herman, in his purple days of greatness, was always a sucker for Pal Moore's freak style.

Johnny Kilbane had his hardest fights against Tommy Kilbane, a fellow Clevelander. Tommy was never particularly hard for other featherweights, but Johnny, obviously superior, had to fight his greatest fights in order to beat him.

## GODDARD CHAMPION OF GREAT BRITAIN

LONDON, Nov. 21.—(A.P.)—Frank Goddard tonight became heavyweight champion of Great Britain when he was fouled in the second round by Jack Bloomfield, who hit Goddard while the latter was down.

The men were to have fought twenty rounds for the title held until recently by Jo Beckett who retired from the ring following his sensational defeat at Olympia by Georges Carpentier, who knocked him out in the first round.

Bloomfield, who was disqualified holds the light weight championship of Great Britain.

## PRUETT, RUTH'S JINX

Babe Ruth frankly admits that he never faced a pitcher who troubled him quite as much as "Shuckie" Pruett of the Saint Louis Browns. Pruett, with his peculiar slow fade-away, has struck Ruth out about every other time he has faced him.

## HARD TO STOP

CHARLEY CASSIDY

Gil Doble's Cornell team boasts a great line and a star backfield. That is why the Ithacans have used the steam roller on every opponent to date. While Full-back Cassidy leaves much of the running game to Pfann and Patterson, he is invariably the player called upon when a gain from one to five yards is a real necessity. In off-tackle smashes Cassidy is the hardest man in the east to stop.

## BEST TEAM OF YEAR?

The biggest mystery of the year in sport circles will center around the discussion as to which is the best football team in the country. If Cornell trims Pennsylvania, Doble's team will have its supporters. If Syracuse beats Nebraska, the conquerors of Notre Dame, it will have a strong claim. Then there is Michigan, Illinois, Yale, California, West Virginia and about a dozen more. Make known your choice, then select your weapons, as you will have plenty of opposition.

## DARTMOUTH MEETS YALE NEXT SEASON

HANOVER, N. H., Nov. 21.—Dartmouth and Yale will meet in football in the 1924 season, the Dartmouth Athletic Council announced today. The last time the two colleges clashed on the gridiron was in 1900.

New York, No. 21.—Conclusion of negotiations for resumption of football relations between Dartmouth and Yale was viewed tonight in Athletic circles as proof of recent forecasts that plans are well under way for the organization of a "Big Four" in collegiate athletic ranks to replace the present "Big Three" with the Green as the addition to the Harvard-Princeton-Yale triangle.

So far as football is concerned, the only link needed to complete the new chain is for Princeton and Dartmouth to assume relations as the Green already is on Harvard's schedule. This cannot take place however in all likelihood until 1925, for recently it was revealed that efforts to arrange a football date between the Tigers and Dartmouth for 1924 failed when no agreement could be reached on the date.

## BOS OF HOLLAND LOST FIRST GAME

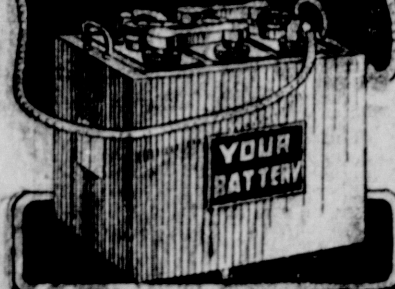

Detroit, Mich., Nov. 21.—Ary Bos of Holland, lost his first game in the 18.2 balk line junior billiard championship tournament here today to Tadeo Suganuma, of Japan, 300 to 167. Bos, however, made the high run 83.

School Mechanical Engineers club  
met Wednesday afternoon in the  
drafting room at the High school.  
The following program, which  
was one of unusual interest was  
presented at this meeting: "Watt  
and the Steam Engine," Dan  
Hoover; "Steam Turbine," John  
Reynolds.

Mrs. Lou Rickard is a guest  
at the home of Mr. and Mrs. C.  
L. Mathis on West College ave-  
nue.

## CURED HIS RUPTURE

I was badly ruptured while lift-  
ing a trunk several years ago.  
Doctors said my only hope of  
cure was an operation. It was  
did me no good. Finally I got  
hold of something that quickly  
and completely cured me. Years  
have passed and the rupture has  
never returned, although I am do-  
ing hard work as a carpenter.  
There was no operation, no lost  
time, no trouble. I have nothing  
to sell, but will give full infor-  
mation about how you may find  
a complete cure without opera-  
tion, if you write to me, Eugene  
M. Pullen, Carpenter, 231K Mar-  
cellus Avenue, Manassas, N. J.  
Better cut out this notice and  
show it to any others who are rup-  
tured—you may save a life or at  
least stop the misery of rupture  
and the worry and danger of an  
operation. (adv.)

## Market Report

By The  
Associated  
PressRAILROAD SHARES  
ASSUME LEADERSHIP

**INDUSTRIAL**  
Total stock sales 1,333,000  
shares.  
Twenty industrials averaged  
92.10; net gain .87.  
High 1923: 105.38; low  
55.76.  
Twenty railroads averaged  
84.20; net gain .69.  
High 1923: 90.51; low  
79.53.

**NEW YORK, Nov. 23.**—Rail-  
road shares again assumed the  
leadership of the upward move-  
ment of stock prices in today's  
unusually active market. Indus-  
trials, however, were by no means  
neglected and recorded substan-  
tial gains. Foreign exchange  
rates jumped forward and Decem-  
ber and May cotton futures sold  
at more than 35 cents a pound,  
the highest prices in three years.

Circulation in the financial  
district of a bullish forecast for  
1924 by one of Wall Street's  
most prominent operators, who  
predicted that investors in rail-  
road securities would recover  
next year a considerable part of  
the \$3,000,000,000 lost by them  
in the past 15 years and the pub-  
lication of another series of tax-  
able October earnings state-  
ments, contributed to the sharp  
movement upward in the fore-  
noon.

Industrials were given new im-  
petus by the statement of George  
F. Baker, head of the First Na-  
tional bank, that general prosper-  
ity in this country would continue  
well into next summer.

Buying in the railroad group  
was spread over a broad list, but  
was effective in the seasoned di-  
vidend paying issues.

Reports of increased demand  
for pig iron lifted steel shares  
to higher ground. United States  
Steel touching 95 1/2 an advance of  
1 1/2 and Sloss-Sheffield jumping  
four points.

Davidson Chemical proved the  
market leader with a net gain of  
more than six points. Other gains  
included Loose-Wiles 3 1/2, Pan-  
American A and B, Standard Oil  
of California and New Jersey,  
American Car and Foundry, Mar-  
land Oil, Anaconda and Cerro de  
Pasco all up 1 to 2 points.

Total bond sales par value \$9,  
349,000.

1.90 cwt; Michigan bulk round  
white 35 to 90 cwt.

**CHICAGO GRAIN FUTURES**  
**CHICAGO, Nov. 21.**—Wheat  
took a sudden upturn in price to-  
day at the last, helped to some  
extent by strength of foreign ex-  
change. The close was firm, 1/2  
to 1/4 to 1/2 higher; December 1.02 1/2  
to 1.02 1/2 and May 1.08 1/2 to 1.08 1/2.  
Corn finished at 1/4 to 1/2 off to 3c  
gain, oats unchanged to 1/4 to 1/2 up  
and provisions varying from 2c  
decline to a rise of 7c.

It was only in the final deal-  
ings that a decided trend toward  
a higher level of prices was shown  
in the wheat market. Earlier the  
bulk of the trading consisted of  
exchanges between commission  
houses and elevator interests, the  
commission houses letting go to  
December wheat, but taking May  
and July, whereas the elevators  
acquired December.

Later, however, weakness of  
the Liverpool wheat market was  
more than offset by the ascent of  
foreign exchange rates and by the  
upward swing of stocks and cot-  
ton.

Lightness of offerings as the  
day drew to an end made shorts  
in the wheat market uneasy, and  
active local traders taking advan-  
tage of circumstances, bid prices  
up. The effort to bring about a  
stampede was only successful in  
part as the market ran into com-  
mission house selling on the  
bulge. Closing prices, neverthe-
